**1 - EXT. BRICK'S PATIO - DAY**

A gorgeous day. The sun is shining. But BRICK BRADDOCK, retired police detective, is sitting quietly, contemplating -- something.

The SCREEN DOOR slides open and DICK STEEL, his former partner and fellow retiree, emerges with two cold beers.

**1 - STEEL**

Beer's ready!

**2 - BRICK**

Are they cold?

**3 - STEEL**

Does a bear crap in the woods?

Steel sits. They laugh at the dumb joke.

**4 - STEEL**

(beer raised)

To retirement.

**5 - BRICK**

To retirement.

They drink long and well from the beers.

And then there's a long beat.  
Longer than is funny.  
Long enough to be depressing.

The men look at each other.

**6 - STEEL**

Screw retirement.

**7 - BRICK**

Screw retirement.

SMASH CUT TO:

**2 - INT. TRAILER HOME - DAY**

This is the home of THE BOY BAND, AKA DAN and JACK. They too are drinking beer, and counting the take from their last smash-and-grab. Money, drugs, and ridiculous props are strewn about the table.

**8 - JACK**

(in Vietnamese, subtitled)

*Did you know Brick and Steel are retired?*

**9 - DAN**

Then let's retire them.  
Permanently.

Jack begins to argue vociferously in Vietnamese (?), But mercifully we...

CUT TO:

**3 - EXT. BRICK'S POOL - DAY**

Steel, in the middle of a heated phone call:

**10 - STEEL**

They're coming out of the woodwork!  
(pause)  
No, everybody we've put away!  
(pause)  
Point Blank Sniper?

**4 - SNIPER SCOPE POV**

From what seems like only INCHES AWAY. Steel's face FILLS the Leupold Mark 4 scope.

**11 - STEEL**

The man's a myth!

Steel turns and looks straight into the cross-hairs.

**12 - STEEL**

(oh crap)  
Hello...

CUT TO:

**5 - OPENING TITLES**

BRICK BRADDOCK  
& DICK STEEL IN

BRICK & STEEL  
FULL RETIRED

SMASH CUT TO:

**6 - EXT. WOODEN SHACK - DAY**

COGNITO, the criminal mastermind, is SLAMMED against the wall.

**13 - COGNITO**

Woah woah woah, Brick and Steel!

Sure enough, it's Brick and Steel, roughing up their favorite usual suspect.

**14 - COGNITO**

What is it you want with me, DICK?

Steel SMACKS him.

**15 - STEEL**

Who's coming after us?

**16 - COGNITO**

Everyone's coming after you mate!  
Scorpio, The Boy Band, Sparrow,  
Point Blank Sniper...

As he rattles off the long list, Brick and Steel share a look. This is going to be BAD.

CUT TO:

**7 - INT. GARAGE - DAY**

BRICK and STEEL get into Mom's PORSCHE, Steel at the wheel. They pause for a beat, the gravity of the situation catching up with them.

**17 - BRICK**

This is everybody we've ever put away.

**18 - STEEL**

(starting the engine)  
So much for retirement!

They speed off. To destiny!

CUT TO:

**8 - EXT. PALATIAL MANSION - DAY**

An EXTREMELY HANDSOME MAN drinks a beer. Shirtless, unfortunately.

His minion approaches offscreen:

**19 - MINION**

We found Brick and Steel!

**20 - HANDSOME MAN**

I want them dead. DEAD!

Beer flies.

BURN TO PINK.

THE END
